Safeguarding

Dear Parents/carers

We have been made aware of an incident in a local school recently where two children have been groomed online by two men. The children have been using an app called MUSICALLY, it's a social media site known to our children and they use it to contact each other and "*add new friends.*"

There have been two incidents, to date. A man who says he's 22 has propositioned the girls calling them sexy and asking them to do inappropriate things to him.

Another man has asked the children to go on a live chat with him and displayed his genitals to them. Both of these men have befriended the children beforehand through the MUSICALLY APP.

We have asked all children to talk to their parents if they use this app and have asked them to delete it. We are asking for your support with this to help us to keep our children safe.

Best wishes

Mrs James

Headteacher
